State Firefighters' & Fire Marshals' Association of Texas

Promote, Unify, Represent and Educate Fire and EMS Responders

About SFFMA

Organized in 1876, the State Firefighters' and Fire Marshals' Association is Texas' oldest and largest fire service association, serving the fire and emergency responders of Texas. Our membership includes 1,000+ fire departments, >15,000 individual members, numerous industrial facilities, fire marshal offices, EMS departments, and many fire service-related organizations committed to the betterment of Texas emergency services.

Membership Dues Assistance

Thanks to funding provided by the SAFER Grant, SFFMA is able to offer qualifying fire departments financial assistance with paying their SFFMA membership dues. The reimbursable grant can help cover the cost of departmental and individual memberships up to the stated maximum. Read more about the requirements and how to apply on our website!
